

The Wolves of Whidbey

Set in the sleepy and quiet town of Oak Harbor, Washington, The Wolves of Whidbey game follows the trials and tribulations of a group of young wolf shifters as they try to get over the trauma of their past and begin a new life for themselves.

Can the Wolves of Whidbey find a new life in a brand-new human town?
Or will the mysteries of the island prevail and plunge them into the depths of despair once more?

And who are these new people who are slowly becoming part of their lives?
Join us as the children of Sophia and Stone learn who they are and what they can be...
